After downloading the documents, scrutiny started from 02.03.2025. At the outset General Manager (Admn.) welcomed all the members & requested to scrutinize the documents as per the specification given in the e-Tender paper and requested Deputy General Manager (A.I.) to provide check list to the members for scrutinization. After scrutiny, it was found that out of 54 bidders, the technical bid of 43 no of bidders were accepted fully or partially and 11 no of bidders were rejected fully as given in Annexure-A (Page 1 to 33).

Accordingly it was decided to put forth 43 no of technical bid of successful bidders before tender committee for opening of the financial bid and uploaded the proceedings of the opening of technical bid in the e-Tender site on 11.04.2025 and intimated that the financial bid to be opened on 16.04.2025. But due to receipt of complain / grievance from some bidders and as per the instruction of the M.D., OAIC, the financial bid opening was postponed to 24.04.2025 and re scrutiny started from 16.04.2025 by the tender committee.

After threadbare discussion, the tender committee rejected 12 no of bidders in the technical scrutiny and 42 no bidders were accepted fully or partially for opening of their financial bid on 24.04.2025.

The meeting ended with thanks to all members of Tender Committee.
