The financial bid was scheduled to be opened on 25.04.2025. The members of the tender committee, were present during opening of the financial bid. It was informed to the committee by the Dy. General Manager (A.I.) that out of 54 Manufacturers applied through online, offer of 12 Manufacturers were rejected during technical evaluation and 42 Manufacturers were qualified for opening of their financial bid.

Then with the permission of the Chairman of the committee, the financial bid was opened and found that 42 technically qualified Manufacturers have quoted their price for 134 products.

After downloading the financial bid comparison sheet of multi manufacturers for 84 products was prepared in **Annexure-I** with L₁ price and rate of products with single manufacturer was shortlisted in **Annexure-II**. Out of 84 products 56 pack sizes are also found single(Annexure-I).which are given below.

Before opening of financial bid 1 manufacturer, i.e. Mahabir Bajrang Agro chemical Pvt. Ltd requested in writing that due to misinterpretation he has submitted the rate of 3 products @per kg for 5 kg and 10 kg pack which may be considered by multiplying with pack size. The committee after discussion rejected the request and that rate were not accepted in the comparison statement.

For products offered by single manufacturer (**Annexure-II**) OAIC can go for finalization of rate at later stage as per existing provision. As approval of single product will take time and it is high time for supply to different procuring agencies the products with L₁ manufacturers with rate at Annexure-I may be placed to M.D., OAIC for approval.

The meeting ended with thanks to all members of e-tender Committee.
